

Nominations sought for Teacher of the Year:

Pupils across the Valley can recognize the teacher who has made a difference in their lives with the 10th Annual Fulton Homes Teacher of the Year program, run in partnership with radio station KNIX.

Every week, pupils can nominate their favorite teacher for the chance to win a prize package that includes \$300 in cash, plus prizes from Fulton Homes and the Dairy Council of Arizona.

The winning teacher will also be spotlighted on the KNIX Morning Show with Ben and Matt. At the end of the year, the 34 winning teachers will be honored at a luncheon, where one teacher will be selected as Teacher of the Year.

Teachers can be nominated by the submission of a brief form at any Fulton Homes location or online at www.fultonhomes.com or www.knixcountry.com. Winners are chosen based on their commitment to education, career achievements and impact on pupils' lives.
